

LIONS CLUB OF FROME

TREE OF REMEMBRANCE 2021

Once again we will be erecting the Tree of Remembrance in front of Rook Lane Chapel, Bath Street, Frome at the beginning of December, with our thanks to NVB Architects.

Last year we were unable to obtain the Tree from Longleat Forestry, due to staff being laid off because of the Covid virus situation, and had to source one from elsewhere. However, we can confirm that Longleat Forestry are once again supplying the Tree.

The Tree and the Lights on the Tree are there to help you remember your departed loved ones or memorable causes. The Memorial Board with the names of loved ones or memorable causes will be displayed at the entrance to Rook Lane Chapel.

Your donation(s) will be used by the Lions Club of Frome to support local and national charity appeals and other good causes which are supported by the Lions Club of Frome.

The traditional Carol Service and Blessing of the Tree will take place at 7:00 pm on Tuesday 30th November in front of Rook Lane Chapel, provided that further Covid-19 virus regulations do not deter us from doing so. This is a Festive occasion, but one that is marking your gift through the dedication service and blessing.

Following the blessing, the Lions ask you to join them in light refreshments and mulled wine in a social gathering in front of the Tree, giving a chance to meet with friends and the Lions to talk about their activities and Charities.

Remembering a loved one or memorable cause is a simple matter of completing the enclosed form and returning it to one of the Lions named below.

When you fill the form in, there is a section for you to complete so that the Lions (a Registered Charity) can claim a percentage of your donation back from the Taxman – this will then be added to the Club's Charity account to benefit other local charities and worthy causes. (Please see the notes on the enclosed 'Donor form' accompanying this letter as a guide to Gift Aid).

We sincerely hope that you will once again be able to support the Tree of Remembrance, and we look forward to hearing from you, and to seeing you at the Carol Service at which the Tree will receive its blessing.

Thank you
